• Capacity: Rated loads 300 lbs./140 kg.
• Efficient rotary vane motor provides high uniform torque for quick response and smooth, quiet operation.
• Handle-mounted pendant control for one-handed operation and load positioning.
• Precise and infinite speed control for accurate load spotting.
• Self-winding lifting cable stores conveniently inside unit.
• Swivel top and bottom hooks with safety latches standard, for portability and quick installation.
• Secures load and eliminates drift when pendant is released.
• A 3/8” NPT air filter-regulator-lubricator is needed for effective operation. Spark resistant features are not available.
• Lifetime Warranty
• Ideal Applications
  - Assembly Line
  - Machine Shops
  - Cleaning and/or Dipping Operations
  - Manufacturing Plants
  - Power Generating Stations
  - Shipping Departments
  - Chemical Facilities
  - Fabricating Shops
  - Repetitive Lifting Applications
  - Auto/Truck Repair
  - Handling Fixtures and Dies
