Learn from talented colleagues about what we do, so you can get better at what you do. We provide the tools for you to continue your professional development during your internship and upon graduation.

Grow your skills in a professional work environment. Columbus McKinnon interns thrive and contribute to our team’s goals. You will help us provide expert, professional-grade products and solutions every day.

Give back to the community. Columbus McKinnon is committed not only to our family of interns, but our local communities as well. We volunteer to foster a culture of giving in the communities where we live and work.

MEET OUR INTERNS

CHRIS
Application Engineer Intern

“Columbus McKinnon cares about their employees. The support I’ve received while working here is incredible.”

KRISTEN
Software Engineer, Intern Class of 2017

“The opportunities for growth at Columbus McKinnon are tremendous. I have a career here, not just a job.”

COMPANY PROFILE
Columbus McKinnon is committed to offering you a well-rounded career. Encouraging growth and teamwork, we strive to foster a diverse workforce of engineers, designers, application experts, business leaders, material experts, marketers, human resource specialists, finance teams, and technical support personnel.

At Columbus McKinnon, you won’t be just building a career, you’ll be part of an organization focused on advanced, innovative motion control products, technologies, and systems.

Headquartered in Getzville, New York, with facilities across the world, Columbus McKinnon is built on a strong foundation. With over a century of experience, our vision is to become the leading industrial technology company in safe and productive motion control.

If you’re looking for a career at an extraordinary company, Columbus McKinnon is the place for you!

HERE’S HOW YOU GET STARTED

STEP 1: Meet your Mentor to get started on your schedule and expectations.

STEP 2: Begin your first assignments and get acclimated with company procedures and team members.

STEP 3: Build your portfolio, gain career skills, and become an important member of our team and culture.

STEP 4: Make sure you’ve experienced it all. Discuss your future career plans!
